PUBLIC EVENT

DAF CISO'S BLUE CYBER BOOT CAMP: CYBERSECURITY for SMALL BUSINESSES and ACADEMIC/RESEARCH INSTITUTES

JUNE 17, 2022 | 10 AM-4PM EST

JOIN US!

Join us for the Air Force and Space Force Chief Information Security Officer's Blue Cyber Small Business and Academic/Research Cybersecurity Boot Camp.

FREE, All-Day information sessions Small Business/Academic-Research Institution Cybersecurity boot camp. Join hundreds of your peers and learn about the resources available to you to help secure your small business and to comply with the DoD's requirements for small business contractors. Hear from Mr. Aaron Bishop, the DAF CISO about the imperative for small businesses and academic/research institutions to protect their data and networks, as well as protecting sensitive DOD data. Also, hear all about the Air Force and Space Force Chief Information Security Officer's Blue Cyber initiative for small business and academic/research institution cybersecurity. Join us for six, information-packed hours of specialists describing the resources available for small businesses who are already or are considering doing business/research with the U.S. Space Force or U.S. Air Force or the DoD. **FREE REGISTRATION LINK**
